### **Additional items you will require for your course:**

A Portland plotter and dividers  
2B pencils  
Eraser  
Notebook

You are encouraged to bring your own Laptop or Ipad to the class. You will also need to have access to a printer and paper.

If you do not have access to a computer, please advise us as soon as possible.

### **Day Skipper Theory Course:**

A comprehensive introduction to chartwork, navigation, meteorology and the basics of seamanship. Invaluable for learning how to start making decisions on board and if you are considering taking a Day Skipper practical course.

There are two assessment papers for the **Day Skipper Theory** Course, one on Chart work and a General Assessment.

### **Coastal Skipper/Yachtmaster Offshore Theory Course:**

Ideal for candidates for the Coastal Skipper practical course & Yachtmaster Offshore exam. Some revision of the Day Skipper shore based course plus more advanced skills in offshore & coastal navigation by day & night, pilotage & meteorology.
